HOLISTIC LOGISTICS (MK) LIMITED

Delivery

Keeping Business Moving.

Dedicated

Our Flagship, Premium Service, 7 day, 24 hour, flexible, timed delivery throughout the UK and mainland Europe. Vehicle and driver are dedicated to your delivery and collection. Driver and optional porter can also perform a selection of extra services such as, unload and collect goods to and from a specific location, unpack and install white goods, take away unwanted packaging, assemble and dismantle exhibition banners, furniture and backdrops.

Pallet Distribution and Freight Forwarding

Collection and delivery, UK and Europe. Goods are hubbed and grouped, standard UK service 2-4 days. European service available.

Specialist Deliveries

For goods that fall outside the usual pigeon holes, we can arrange a suitable specialist vehicle and devise logistics solutions to transport fragile, awkward and unusual items.

Exhibitions & Events

Keeping Business Moving.

Our extensive knowledge of the UK's major exhibition sites and show grounds makes us the natural partners to logistically support your event. A dedicated Events Manager can assist you with planning and preparation. All stages of planning handled.

- Transport to and from show site
- Assembly and dismantling of portable banners, backdrops, furniture, lighting, leaflet dispensers, display monitor screens
- Goods and exhibits taken to the stand site
- Assistance placing and setting up exhibits and goods.
- Packaging removed and stored until required again
- Vehicle can be left on site as a store room if required
- Porters can be provided to assist throughout.
- Exhibition stands and equipment can be packed and stored in our Wolverton warehouse until required again.
- Cover UK, Ireland and Europe

Technology

Keeping Business Moving.

Holistic Logistics offer clients a range of technical services and workshop and lab facilities. We can service, repair, test and calibrate equipment for clients in our laboratory and workshop. You may either train Holistics' staff to carry out tasks, or your own engineers and technicians may use our facilities to carry out the tasks themselves. We can be particularly useful in executing repetitive, time consuming, technical tasks, freeing up valuable hours for your highly skilled technicians. We can hold a stock of parts required ensuring the swiftest possible turn around.

Client defined operations

- Inspection,
- Repairs,
- Calibration,
- Safety testing,
- Operational checks.
- Accommodate client's software
- Record results
- Compile records and reports

Currently, we are handling servicing, testing and repairs to com-

Recycling

Keeping Business Moving.

Waste Management

Holistic Logistics is registered by the Environment Agency under the Control of Pollution (Amended) Act 1989: for the transportation of low grade domestic and commercial waste, including obsolete IT equipment, TVs, plasma screens, fridges, washing machines, ink and toner cartridges, WEEE and other low grade materials. We will be happy to advise you on proper legal disposal and re-cycling of your waste and handle permissions, waste transfer notes, audit trails and administration.

Environment Agency registered

- UK Wide collection
- All legalities and permissions handled
- Audited disposal trail
- Provide and administer waste transfer note
- Issue waste transfer certificate
- One off or long term contracts
